Sir,

I have the honour to state that I inspected the Office of the Minor Municipal Council, Sringeri, on 8th May 1942, and I note below the following brief review of the affairs of the Municipality for the information of Government

1 The income under Octroi during the year up to the end of April 1942 is Rs 3,854-4-1 as against Rs 3,259-10-3 for the corresponding period of the previous year There is some improvement in the collection of Octroi duty No smuggling cases were detected during the year This item of revenue is supervised by the Octroi Committee

2 Demand, Collection and Balance of Kohatariya and other taxes are as under -

Arrears on 1-7-41		582-15-8
Demand during the year	Rs	2157- 9-9
Total	Rs	2740- 9-5
Collections up to the end of April 1942		1449-9-11
Balance		1290-15-6

Yearwar details for the balance are as follows -

1933-39	=	Rs 100-12- 0	Most of the arrears relating to
1939-40	=	6-10- 0	
1940-41	=	Rs 75- 3- 0	the year 1938-39 are said to be
1941-42	-	Rs 1,111-6- 6	
Total	=	Rs 1,290-15- 6	vehicle taxes due from certain persons who cannot be traced now

Instructions were issued to the President to examine each case and to take action to collect or write off the arrears before the end of the official year

3 The President has been directed to pay by adjustment

of accounts before the end of the official year the following contributions which are outstanding

1 Contribution due to Government for the maintenance of Local Fund dispensary at Sringeri - Rs 480/-

2 Contribution to the Red Cross society - 5/-

3 Contribution to the Poor Boys fund (for purchase of books) Rs 10/-

4 The following two items are pending adjustment under advances from a very long time

1 A sum of 50/- advanced to one Jahumddin for relief in connection with the floods of 1923-24 The Municipal Council have resolved recently to recover this amount in annual instalments of 20/- each The first instalment which was due in the month of January 1942, has not yet been collected The President was directed to collect this amount early as the advance is pending since 19 years

2 sum of 100/- outstanding against one Kinikini Subbanna- this also relates to the balance of advance made in connection with floods of 1923-24 A decree has been obtained against this defaulter and execution proceedings have been taken A site valued at 50/- belonging to the defaulter was brought for sale on 30-11-1939 No bids were secured in the sale as the property is subject to a prior mortgage The defaulter is stated to be dead and there appears to be no means of recovery of the amount The President has therefore been asked to recommend this case for remission

b A sum of 800/- is outstanding against the Sanitary Department being the contribution towards drainage works This amount is outstanding for over a year and the works have not yet been taken up As this is a small work it may be got done through the agency of the Public Works Department or by the Municipality itself

6 Gereral - The assessment on lands and buildings was last revised during 1937-38 and revision is due this year necessary proposals have been called for in this behalf The construction of a Town Hall, a Veterinary Dispensary and a combined dispensary is under consideration

of the Municipal Council They have also resolved that the post of the Assistant Sanitary Inspector be abolished as there is no adequate work for a whole time official A reference has been made to the Rural Commissioner in the matter
